

## Faculty Position in Genetics

The Department of Genetics in the School of Arts and Sciences at Rutgers, The State University of New Jersey seeks an outstanding scientist to fill one of several new faculty positions in genetics. Appointment will be made at the Assistant Professor level. We are interested in individuals with research interests that will complement and expand our existing strengths, which include, but are not limited to: human genetics, developmental genetics, reproductive genetics, cellular genetics, population genetics, bioinformatics, statistical genetics, computational genetics, microbial genetics, epigenetics, cancer genetics, neurogenetics, and psychiatric genetics. Appropriate candidates will also be considered for appointment to the Human Genetics Institute of New Jersey. Core resources, startup funds, and laboratory space in the newly constructed Life Sciences Building will be provided.

The Department of Genetics is home to over 30 faculty members who use a broad range of approaches and experimental systems in numerous well-funded research programs. The department is part of a vibrant and interactive life sciences community that includes the School of Arts and Sciences Division of Life Sciences, the Waksman Institute, the Center for Advanced Biotechnology and Medicine, the Cancer Institute of New Jersey, the Institute for Quantitative Biomedicine, and the Robert Wood Johnson Medical School. A leading research university, Rutgers is a member of the AAU and the CIC and attracted over \$638M in research grant and contract funding in FY2016. The New Brunswick/Piscataway campus is located in suburban central New Jersey, close to New York City, Philadelphia, beaches, and countryside. For more information on the Department, our other ongoing searches, and Rutgers University see: <http://genetics.rutgers.edu/faculty/faculty-recruitment>.

Candidates must have a Ph.D. and/or M.D., demonstrated record of significant research, the potential to make substantial contributions as an independent investigator, and have a commitment to teaching undergraduate and graduate students. Applicants should submit a CV, a detailed statement of research interests, a teaching statement, and full contact information for three individuals willing to provide letters of reference. Applications should be submitted electronically at <https://apply.interfolio.com/37129> and inquiries made to Ms. Mary Carmona, [carmona@dls.rutgers.edu](mailto:carmona@dls.rutgers.edu). Review of applications will begin October 15, 2016 and continue until the position is filled.
