RESEARCH HYBRID SEMINAR

**“Lipid transporters that build the outer
membrane in Gram-negative bacteria”**

Natividad Ruiz, PhD
Professor
Department of Microbiology
The Ohio State University

I will present our recent work on the identification and characterization of three members of the AsmA-like protein family as the long sought-after phospholipid transporters that transport glycerophospholipids from the inner to the outer membrane in Gram-negative bacteria during growth

Noon, Monday, May 1, 2023

Life Sciences Building | Auditorium | 145 Bevier Road, Piscataway

[Zoom Registration Link](#) | Meeting ID: 963 3843 9086 | Passcode: Genetics

Host: Srujana Samhita Yadavalli, Phone: 848-445-0251, Email: sy543@rutgers.edu
